Greenacre NSW 2190

Inspiration & luxury

Allow your bathroom to communicate.  
Speak Italian.

# Welcome to the world of BelBagno bath ware!

Our goal is to provide elegant designs without sacrificial quality.

All our products are manufactured in accordance with ISO 9001, ISO 14001,  
CE, CUPC, OHSAS18001;

BELBAGNO consists of a team of designers who strive to bend the rules of fashion.  
We provide luxurious and colourful bathtubs while maintaining the line between  
comfort and fashion.

**BELBAGNO** - the right choice!

# your future bathroom

## COLOR

Quality never goes out of style.

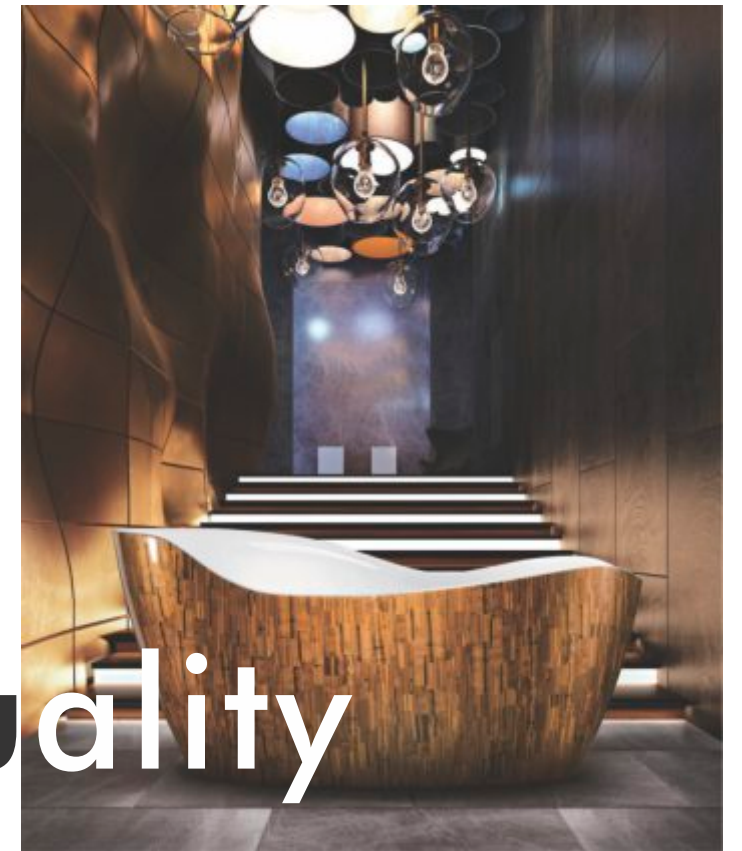

Fashion

## Simple

## Quality

All our bathtubs require certain steps in order to be made. This includes vacuum forming, cutting and joining, painting and polishing. We also arrange experienced QC who analyse each bath and ensure it meets the highest quality standards.

## BELBAGNO BATHS

BelBagno baths will create a sense of serenity in any bathroom. Our range of baths are designed to accommodate to the curves of the human body, creating a relaxing bath experience.

Over 300 baths are developed by famous International designers, along with our very own professional R&D Department. Our options vary from classical, temporary and even artistic.

All of our products are manufactured in accordance with ISO 9001, ISO 14001, CE, CUPC, OHSAS18001;
