# ABOUT HISPANOBELUX

Today the Belarusian-Spanish joint venture Hispanobelux is the oldest bathroom furniture manufacturer in Belarus.

A distinctive feature of the enterprise's output is a very wide variety in terms of dimensions, styles and prices.

We produce more than 500 kinds of products, including cabinets, sinks, faucets, mirrors, cabinets, bathtubs, shower trays.

For general buyer we offer a wide spectrum of colours: white, black, beige, burgundy, blue, gold or silver finish patina.

We can paint both individual elements as well as the complete item.

A high class appearance of our products is achieved through 100% finishing of all frame and front elements with high-gloss and multilayer enamel finishing materials by RENNER.

The quality of coverage is the basic condition of the durability of the whole product, is at the highest level.

The system uses soft door closing mechanisms manufactured by HETTICH.
